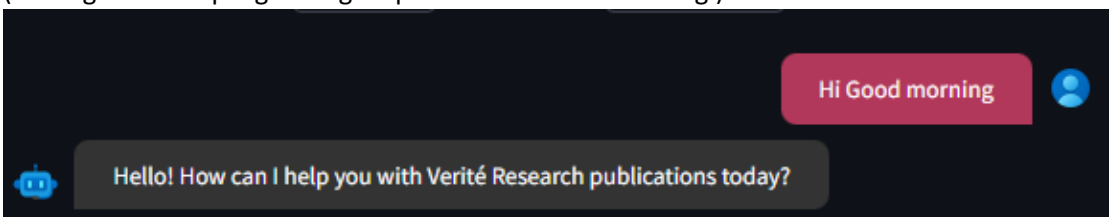
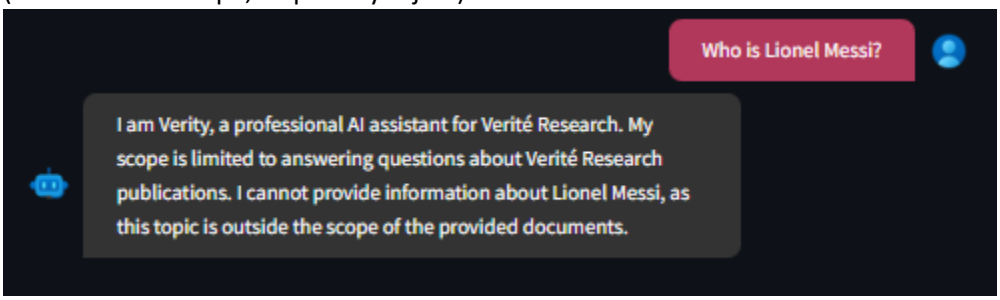
5. GENERATED SAMPLE ANSWERS

- Hi, Good morning
  (Here gives a simple greeting response without a searching)

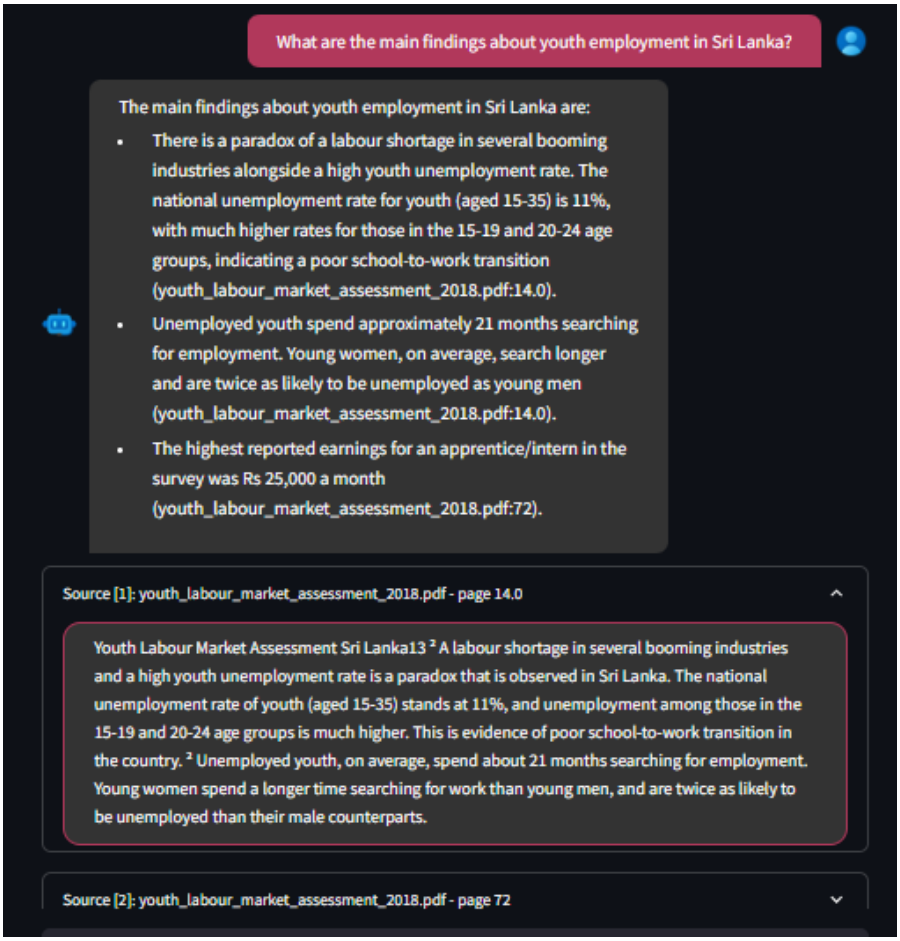


- Who is Lionel Messi?
  (This is out of scope, so politely reject)

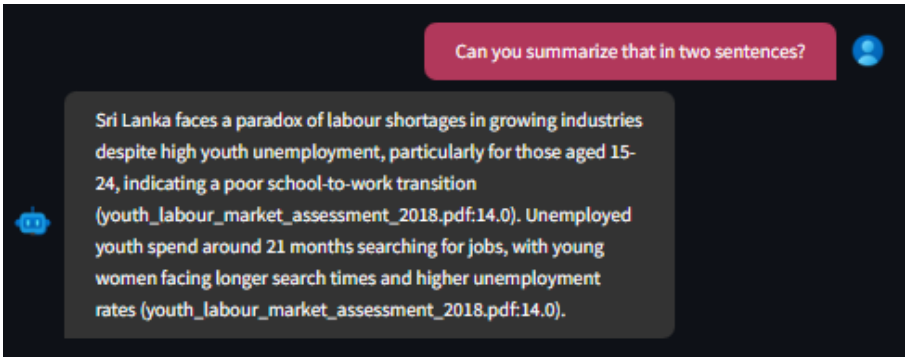


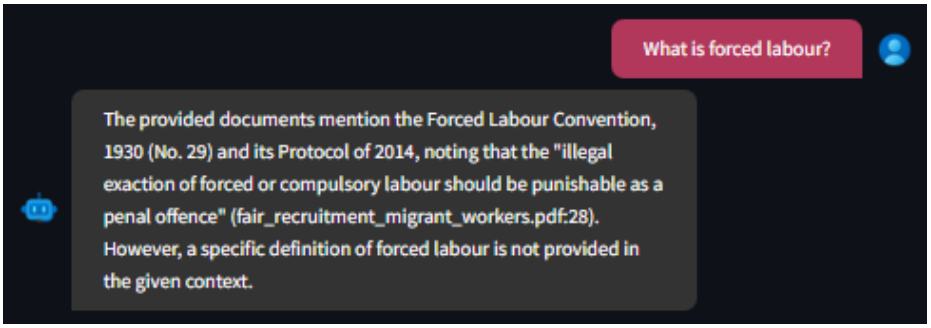
- What are the main findings about youth employment in Sri Lanka?
  (Here, do a vector search and an answer with citations and expandable sources for the citations with relevant chunks)

  These sources are displayed in an expandable/collapsible manner for a clean UI. If you need to see the detailed chunk, then expand.



- Can you summarize that in two sentences?
  (As this is a follow-up question from memory, it will be answered with citations, but not showing expandable sources)





- What is forced labour?
  (This is a broader question; it answers the question, but mentions that this is not directly from the knowledge base.)
